**Subject:** [EXTERNAL] Response to September 21 Informal Request

Gillian: per your informal request of September 21 and my prior email I have endeavored to secure confirmation of payments to Nicole Daedone with respect to her 2017 sale of One Taste. While the attached records are not One Taste records I have attempted to gather them to expedite the bringing of this matter to conclusion. I have not been able to secure copies of the cashier's checks referenced in the Dunham bank statements, but the statements identify the transfers. I have also not yet been able to secure documents related to [REDACTED] financial transaction but am still endeavoring to do so. Attached for your convenience is a tabbed-Index to the zip-file.

Please let me know if you have any questions. Nanci and I like forward to timely engagement with your team to discuss the potential resolution of this matter.

Can you please also confirm receipt of this as I am never sure whether the zip file attachment inhibits receipt. Ty pep
